

Charity Stalls Policy

ACM are committed to supporting charities and community groups and we actively encourage their attendance at our events.

There may be a small charge to book our events. This will be refunded in full after the event has been attended.

To trade with us you need to provide your registered charity number, CIC registration number or provide suitable evidence of your charitable endeavours.

ACM will at their discretion, from time to time offer free charity stalls as a one off without the above requirements, for example for a one off fundraiser.

All charity stalls still need to meet our standard requirements for all stall holders, including the need to have public liability insurance.
